Prayer for India

India
The lamentation of tears had
already run out
The tears turned to blood
The heart was broken

Sadness
Lost
Solitude

The burning fire marked of
bitterness
loneliness
surrender

India
With you
I want to embrace this
vulnerability
in the depths of my soul
I bring silent prayer
In the presence of the Creator

With you
I feel every heart beat
life and death
Where I am also part in it

We also hope
a beam of light
is revealing in the darkness of
the night
the light of love
embracing life
and
you will be restored again

amen

Doa buat India

India
Ratapan tangis pun sudah habis
Air mata pun berubah jadi darah
Hati yang keras pun jadi hancur

Kesedihan
Kehilangan
Kesendirian

Api menyala membawa
kepahitan
kegetiran
kepasrahan

India
Bersama dengan mu
ku ingin merengkuh kerapuhan ini
di kedalaman jiwa
Ku bawa kebisuan doa
kehadirat Sang Pencipta

Bersama mu
kurasakan setiap denyut jantung
kehidupan dan kematian
Dimana akupun ikut berpusar didalamnya

Kitapun berharap
seberkas sinar
menguak di kepekatan malam
geliat kasih
merangkul kehidupan
dan
engkaupun dipulihkan kembali

amin
