

## **Prayer for India**

India  
The lamentation of tears had  
already run out  
The tears turned to blood  
The heart was broken

Sadness  
Lost  
Solitude

The burning fire marked of  
bitterness  
loneliness  
surrender

India  
With you  
I want to embrace this  
vulnerability  
in the depths of my soul  
I bring silent prayer  
In the presence of the Creator

With you  
I feel every heart beat  
life and death  
Where I am also part in it

We also hope  
a beam of light  
is revealing in the darkness of  
the night  
the light of love  
embracing life  
and  
you will be restored again

## **Doa buat India**

India  
Ratapan tangis pun sudah habis  
Air mata pun berubah jadi darah  
Hati yang keras pun jadi hancur

Kesedihan  
Kehilangan  
Kesendirian

Api menyala membawa  
kepahitan  
kegetiran  
kepasrahan

India  
Bersama dengan mu  
ku ingin merengkuh kerapuhan ini  
di kedalaman jiwa  
Ku bawa kebisuan doa  
kehadirat Sang Pencipta

Bersama mu  
kurasakan setiap denyut jantung  
kehidupan dan kematian  
Dimana akupun ikut berpusar didalamnya

Kitapun berharap  
seberkas sinar  
menguak di kepekatan malam  
geliat kasih  
merangkul kehidupan  
dan  
engkaupun dipulihkan kembali

**amin**
